Grooming Table

Our grooming table equipped with functional and convenient features like caster wheels (optional), nonslip table top, grooming loops, height adjustable grooming bar and extra restraint rings. Designed for strength and durability.

Grooming tables allows you to provide maximum convenience and safety to animals during haircuts.

Our new product, Rotatable grooming Table, can spin and rotate the table with the pet on it if desired, making it easier to work on different areas of the animal's fur. This small grooming table works best with small pets, as it only measures 50cm in diameter.

2024 Catalog

► Electric Grooming Table

The electric grooming table with X-Shaped design is very helpful for load bearing, firm and stable. You can lift the table when the pet stand on the table, allows you to provide maximum convince and safety to animals during haircuts thanks to the height adjustment device.
